

## STRATEGIC PLAN 2025-2030

### OUR VISION

To deliver outcomes for industry and Territorians while delivering a commercial return to Government.

### OUR PURPOSE

To facilitate delivery and management of strategic land and estates in alignment with Government's growth priorities for the Territory.

## STRATEGIC PRIORITIES

### STRATEGIC DEVELOPMENT PRECINCTS

Managing strategic precincts to facilitate industry and growth.

### STRATEGIC INDUSTRIAL LAND

Facilitating delivery of strategic land for industry to support growth industries.

### COMMON USER INFRASTRUCTURE

Managing Government-owned strategic infrastructure for industry's use in an accessible, commercial and cost-effective manner.

### REGIONAL LOCATIONS

Delivering land and homes, catalysing regional locations to support long-term growth outcomes.

### ADDITIONAL OPPORTUNITIES

**Land Delivery Partnerships:** Delivering of master-planned communities via partnerships with industry.

**Release to Market:** Initial planning and coordination to release to market.

**Project Management:** Undertake program delivery to support Government priorities.

**Strategic Oversight:** Facilitate strategic oversight of Territory Development Areas across the Territory.
